

STRIDER

Bicycle Parts & Accessories
(An ISO 9001:2015 Certified Company)

Volume - 4

Strider Industries, an ISO 9001:2015 Certified Company with unmatched and reliable services to its clients in galore, now enters into 2nd decade with "STRIDER" as its brand to scale the heights of success in Bicycle Industry.

Eversince its inception in 2007, Strider Industries has been a pioneer in Export of Bicycle Parts/Accessories and set new challenges for itself to expand with steady and stable per annum growth rate.

We believe in establishment of long term business relationship rather than getting one time order and we consider our buyers as family members of Strider Industries. Our main purpose is to export quality products upto satisfaction of buyers. So, you can do business with us in complete confidence as we are credible supplier and are currently looking to build a new relationship with potential buyers.
